

# Artists' information

## ABOUT US

Wildwood Arts is an independent art gallery and acts as an agent, representing over 35 different artists in a variety of media at all different stages of their careers. We take pride in forming and developing good working relationships with our artists and try our upmost to advise and assist in helping our artists' careers. Our main role however is to promote and sell our artists' work. Wildwood is owned and run by Cheri Hunston, who is also an artist and so understands the art industry from both sides. We have a growing client base and return collectors who are always looking for new artists. We specialise in Dartmoor themed work.

## WHAT WE ARE LOOKING FOR

Our first and foremost criteria on accepting work is **quality**.

We will only consider quality work that is presented professionally and in a professional manner. Secondly, we will look at whether the **themes** are consistent with ours: The British countryside, in particular Dartmoor, landscapes, flowers and wildlife, myth, magic, country life and sporting activities, but we also consider other themes if the work is outstanding.

We will consider all 2D mediums, including printing, textile art, ceramics, glass, jewellery and small sculpture. *We do not accept instillation art or photography:*

Work must not have been seen previously in the Southwest of England and must have been created after 2016. *Please see our full list of terms and conditions for more information.*

## WHAT YOU CAN EXPECT FROM US

We always try our best to be as helpful as possible and when time permits we will answer any questions you may have. We will usually respond via e-mail or phone.

If you are accepted then we will promote you and your work to the best of our ability.

We provide an agreement form as a short term contract for the duration of the exhibition and consignment receipt for your work. We pay our artists on time and insure your work. After exhibitions we sometimes will offer permanent representation to artists who we believe we can work well with and whose work is of exceptional quality.

*If you wish to be considered for our Winter Exhibition please complete the submission form and read the terms and conditions and e-mail to [info@wildwoodartsdartmoor.co.uk](mailto:info@wildwoodartsdartmoor.co.uk)*
